Spelling correction to be made in closing part of script, item 2) from "how" to "who".

**Questions:**

Add a 10-minute speaker before the Birthday Night part opening? No. Can't be consistent because number of celebrants will change and already difficult to get one speaker per month.

Song playing in the Background? Not now. Just want to get BDay Night launched at this time.

Will we give out sobriety chips? Not now. We can consider a virtual chip in the future.

Secretary – Michelle R

Treasurer – Heather L

GSR – Misty D  
Tech. Rep – Patrick D  
Member at Large – Jeff H  
Member at Large – Christine T

Kelsey S opened the meeting at 10:57 am with a moment of silence followed by the Serenity Prayer.

Michelle R read the 12 Traditions.

**5. MOTION to approve minutes of the March 15, 2026 Regular Committee Meeting as distributed.**

Moved: Patrick D Seconded: Misty D

Motion passed.

**6. OLD BUSINESS (resulting from previous Committee and Group Conscience Meetings):**

a) From the March 15/26 Committee Meeting:

- Have we been able to find a different storage space for the TIAS documents?  
Completed. Patrick D. has sent Michelle R all the documents for the website. Michelle to place documents on TIAS Google Drive.
- Christine T to send list of Speakers from Central Office to Jeff H. Completed?  
In progress. Christine T will re-send the list to Jeff H.

b) Alternate GSR position (Group Conscience to be asked if Alt GSR is wanted on the TIAS Committee.

If a majority of Members are in favour of an Alt GSR position, the group would elect someone. Misty D open to electing an Alt GSR who will take over from her when her term ends and if no Alt GSR wanted or elected, perhaps another Committee Member could attend Assemblies along with GSR.

c) From the Special Meeting of the Membership on March 26/26 (Topics to review for NY GSO)

Misty went to Assembly; breakout rooms were put in place; further discussion was held on topics, the person going to NY Office is comfortable and honoured to take feedback to GSO.

d) From the March 28/26 Group Conscience Meeting

- To create a sub-committee of 3-5 Members, who regularly attend the Big Book Study, that can take on the task of changing the format of the Big Book Study.  
Completed as distributed to the Committee. Next Steps – take to Group Conscience.

Question – create an extra BB Study meeting on a weekday meeting plus the existing BB Study on Sunday? BB Study is to be consecutive weeks. Many people can schedule one day a week. The length of the BB Study is what it is. Kristianna and Christine T will continue alternately chairing BB Studies on Sunday. Members who

attend BB Study: Half wanted paragraph by paragraph study, others 3 pages at a time so subcommittee set up a “happy medium” in terms of the length of each reading.

- To introduce a once monthly Virtual Birthday Night Celebration on the last Saturday of each month.  
Jeff H will continue working on a format for Open Birthday night script and then will email the Committee for review and then present to Group Conscience.
- Script changes  
All 3 script changes were implemented immediately.
- To change TIAS’s district from District 7 to District 11.

The following has been updated on our website for April 2026:

Events Page:

Events page has been changed deleting and updating.

No other document changes since the last major update after the last group conscience. Patrick D has sent the master Folder (Named: TAIS Website) to Michelle R. Michelle R will store this file on the Google Drive, and Patrick D will update the folder after each Monthly Committee Meeting and send to Michelle R to keep the documents on the Google Drive up to date.

To all who have access to the Google Drive:

There is no reason (unless Patrick dies, lol) to go into that file. If you are curious about anything "Tech Rep", please let me know and I will be happy to answer any questions. A member in the previous committee I was on made changes to the folder that took weeks to fix. I have copies on the file on my computer.

**MOTION to approve the Tech. Rep Report as presented.**

Carried unanimously.

- n) Members at Large
  - Christine T  
Need a speaker for next month (May).
  - Jeff H  
Will get a speaker for May 2026.

## 8. NEW BUSINESS

- a) Proof of Attendance Requests  
Host / Chairs of meetings are to be sending proof of attendance as per Opening Script of meetings. Kelsey S sent proposed email to committee members on Wednesday. Not everyone responded.  
Suggestions - Make email a “we” email rather than an “I” email. Make it short and concise – state the facts.  
**ACTION:** Kelsey to amend and send out to all committee members for feedback.
- b) Email from a Member Apr. 16/26 RE: AA Online Community (from Get Into Action Committee). Does the information have relevance to online groups in Manitoba? Roundtable, Pamphlet, Grapevine Magazine working group. Looking for more participation in various service committees.  
Poster is on the TIAS Website.
- c) Email from a Member RE: low Member attendance and participation at meetings (people set to listening). Should chairs be asking the listeners to share? The opening readings are long and need to be revised.  
Response:  
Received email and talked about it as a committee.  
The behaviour of others, as long as not harming AA as a whole, is not for the committee to say. As a committee, we do not govern, we are trusted servants.  
AA’s PR policy is based on attraction rather than promotion. We can’t control who attends.  
If Member is set to listening, they are listening. Chair should respect that.  
Introduction is long – is for the newcomer to learn and receive the message.  
**ACTION:** Heather and Kelsey to reply to Member on behalf of the Committee.
- d) Date and Agenda Items for next Group Consciences  
**MOTION to hold two Group Conscience meetings; May 30 and June 13, 2026.**  
Moved: Patrick D Seconded: Heather L

**2. Follow-up Information from the committee / Old Business**

From the Dec 6/25 Group Conscience Meeting:

**Motion:** Minimum amount in the Prudent Reserve increased to \$750.

**Outcomes:**

- TIAS has reached the voted upon amount for the Prudent Reserve of \$750.
- TIAS can contribute to the 4 Arms of service (25% each arm, on the quarterly schedule determined by the Membership previously – March, June, Sept. and Dec, 15th).

**Motion** To suggest to Members that they contact the committee by email with their questions comments and concerns.

**Outcome:**

- An announcement has been amended to reflect this.

From the Jan. 5/26 Special Meeting

- GSR has been elected to the committee – Misty G.

### 3. Big Book Study

**MOTION to create a sub-committee of 3-5 Members, who regularly attend the Big Book Study, that can take on the task of changing the format of the Sunday Big Book Study.**

Moved: Michelle R Seconded: Patrick D

*How will it be changed? Condensed readings for each meeting. Agreed that it's too long. Could look at a paragraph at a time and then discuss. Michelle R willing to head up the sub committee. An announcement could then be put to the Membership asking for members of the subcommittee (up to 5)*

15 in favour 0 opposed 2 abstained **Carried**

### 4. Birthday Night

**MOTION to introduce a once monthly Virtual Birthday Night Celebration on the last Saturday of each month.**

Moved: Misty G Seconded: Kurt B

*Agree. Is there any conflict with any other group? Are there people ready to step in to organize it? Jeff H. willing to take on the responsibility of organizing. Would Jeff become Birthday chairperson? What is format? We are starting with the question of whether or not Membership wants it first. When do we decide if there's a speaker for Birthday Night? The motion is whether we want a Birthday night; committee will determine details. We had Birthday night on zoom previously – approve of the motion. Medallions or cards are an expense.*

16 in favour 1 opposed 1 abstained **Carried**

## 5. Meeting Script Changes

**MOTION to add to the Meeting Scripts, a statement that reads, “If your background images might offend others, please blur your background on Zoom or turn your camera off.”**

Moved: Patrick D Seconded: Misty G

*How will it affect people who need to verify their attendance? Can blur background and still see face. Maybe remove “or turn your camera off” part of motion. If disturbance to meeting, camera has to be turned off anyway. This came about because a pornographic image was on the wall behind a Member-wouldn’t do this in live meeting, this is a clubroom. Up to Members to have appropriate background. Key word in the motion is “or”- you can blur background or turn off camera. Could this not be handled personally rather than by a motion-some people not tech savvy. This is our AA clubroom – should be respectful – need a set a criteria that things are respectful. Instead of motion, people should have been told to leave. We have some newer hosts who often don’t want to rock the boat or are hesitant to turn off video or say something. There’s also inappropriate touching going on in meetings too. I’d feel reprimanded if told directly and may feel guilty for removing someone. Does this extend to photos on screen when camera is turned off? Reminder to add this line to Script. Helpful to have a group guideline rather than speaking out to a fellow member directly.*

13 in favour 2 opposed 0 abstained **Carried**

**MOTION to add a reminder to the Scripts that reads, “Please refrain from cross-talking to other Members.”**

Moved: Skye P Seconded: Chet B

*What is cross-talking? Does it include positive comments? ANY talking to another Member. One AA definition is :Cross talk in Alcoholics Anonymous (AA) refers to direct, often unsolicited feedback, advice, or commentary directed at another member’s share during a meeting, rather than addressing the group as a whole. It is generally discouraged to maintain a safe, non-judgmental environment, allowing members to speak without interruption, criticism, or unwanted advice.” Sometimes Chairs comment on others’ shares. Does it include the use of “we should” or “you should” language during someone’s share? Comments on other people’s stuff is on me. Cross-talk means unwanted signals between people. Other groups make comments using “I” statements. Cross talk is a waste of time and disrespectful. Whatever definition is, we should include what cross-talk is in the Script.*

15 in favour 1 opposed 2 abstained **Carried**

**MOTION to remove the line in the Meeting Scripts that says, “Before we wrap up this meeting, does anyone have a burning desire to share that hasn’t gotten an opportunity to speak?”**

Moved: Jeff H Seconded: Bobby

*On occasion when we run out of time, people take the opportunity and sometimes take advantage of, sharing and the meeting will extend pass the one-hour time frame. Everyone that wants to, should share at the meeting and not identify yourself as listening and then wait until very last minute of the meeting to share. I put “listening” or the coffee emoji on when I’ve stepped away for a bit -what should I do when stepping away from meeting? One Member indicates “listening atm” and turns their camera off while away. When returned, they turn camera on and remove “listening”. Maybe we need a timer to reduce length of shares so everyone can share. Move to opening script, whomever has a desiring need, raise your hand and the Chairperson can call on them first. When you’re away, you can send a private chat message to the host to advise if you’re away for a while.*

13 in favour 1 opposed 2 abstained **Carried**

## **6. Change of District**

**MOTION to change TIAS’s district from District 7 to District 11.**

Moved: Heather L Seconded: Manny M

*What’s the difference? District 7 more tailored to in-person meetings, District 11 tailored more to online meetings. More support for online meetings available in District 7.*

14 in favour 0 opposed 1 abstained **Carried**

## **7. Other Motions**

None

## **8. MOTION to close the meeting**

Moved: Patrick D Seconded: Heather L

**d. Tech Rep**

All website documents are up to date to the best of my knowledge. I revised the Schedule to show January and February 2026, including adding Becca R from The Winnipeg Group for the February Speaker.

I am not sure which "storage point" we are using for updated documents. The past Tech Rep used his personal Microsoft One Drive. I will be storing the updated files on my computer, but I believe the committee should also have access to the updated documents.

Please advise on where we are storing them. If it is the Google Drive (which I am not a fan of) please let me know who is maintaining the google drive and I will email the documents to that person.

If anyone has any changes that are required for any document, please email me at our committee email and in the subject put in "Attn Tech Rep – Update" so I am aware there is an update. Please include full information on the change required. If there is an issue with request to change anything, I will email whatever question(s) I have back to the entire committee.

Please note I will be out of country from January 26th – February 5th so there may be delays in my responses. I should be able to make any changes from where I am.

**c. Secretary**

There are non-Members at meetings, [possibly breaking confidentiality and anonymity. Some people come late and don't hear the announcements about moving to another space or using headphones.

Can we assume the others are not alcoholics?

Chairs could privately chat with the person that has somebody with them. saying I see you have someone in the area with you, this meeting is for alcoholics – would you mind moving to a space where you can be alone or use headphones.

Difficult to do on Zoom as there are people living in smaller homes/apartments.

Some people don't have a big house to move to a private space.

Changing Script needs to go to Group Conscience.

Don't tell people what to do.

People with non-alcoholics in the area could just turn off their camera and the non-member could still be there.

Hearing a tidbit of information may bring them into the program.

**MOTION** to advise meeting chairpersons that they can remind a participant of confidentiality and anonymity.

Moved: Kelsey S Second: Jeff H **carried**

**ACTION:** Kelsey S will create an email, to be approved by the committee, that says to Chairs of meetings, that ..... **SPECIAL MEETING of There Is A Solution  
To elect a General Service Representative (GSR)  
Monday, January 5, 2026 at 7:30 pm**

Chair: Kelsey S

19 Members in attendance, excluding the Chair.

Kelsey S introduced the 2026 Committee Members: Kelsey S. Chairperson, Heather L Treasurer, Michelle R Secretary, Patrick D Tech Rep, Erin Freya Intergroup Rep, Christine T Member at Large and Jeff H Member at Large

Kelsey S introduced Tina C, GSR for the Auto City Group.

Tina C shared her experience as a GSR. Highlights as follows:

GSR is the face of the Group at monthly District Meetings. First District meeting is tomorrow, Jan 6/25 (the 1<sup>st</sup> Tuesday of the month at 6:30 pm). Knowledge of the 12 Concepts. Need Service Manual. Feel free to ask other GSR's for support (Tina C put her phone number in the chat). Having a Service Sponsor may be valuable. Assemblies (weekends) are 4 time / year and they are Hybrid. GSR and an Alternate GSR work together to be the conduit between the District and the Group and the Group to the District. Typically, service is as an Alternate GSR for 2 years and then move to GSR for 2 more years.

Answers to questions and some comments:

The TIAS Committee meets on the 3<sup>rd</sup> Sunday of the month at 11:00 am.  
Usually need a 2/3 majority to be elected as GSR.

TIAS needs to call a Group Conscience to elect an Alternate GSR to the Committee.

Lively conversation about the following themes were expressed by all in attendance:

- Transparency, as was brought up at the recent Group Inventory, is needed.

  - Where we may continue to be of service.

## Monthly Question

- The following is April's Group Report Question:
  - "What does your group do for new people when they come in?"

- Kelly resent the report as there were changes made.
  - How do we want to go through the NY report?
    - We can reach out to those who know.
    - How interested are we to participate?
- Michelle has experience and recommends to randomly picking 3 questions that relate to our group.
  - Kelly recommends PICPC questions then hot topics? She will email the hot topic questions to all members.
    - We can set up a Group Conscience to get feedback for these hot topic questions.
- Kelly can see how overwhelming this discussion may be at the moment, however it is a great opportunity to voice our opinions and maybe we will be considered with the GSR, rather than an afterthought.
- Michelle motions that we post the questions to the membership at a Group Conscience. Kelly will make a summary of the questions; Steve can post this in the announcements. We will take answers from the Group Conscience and send to Tom from head office.
  - Kelly seconds this.

December 2, 2024

Greetings everyone from your Area 80 Chair,

As 2024 draws to an end so does our first year of serving Area 80 in this current rotation. In reflecting over the past year, I feel that we as an area are growing in Unity and Service. My hope is that as an area, we can continue on this path, placing "principals before personalities". Remembering why each of us is serving in a position in the area and what we as an area can do to help the "still suffering alcoholic".

Find attached two motions that I have received that will be presented at the the January Assembly for discussion.

GSR's and group reps, please take these motions back to your groups for discussion; DCM's and Alt DCM's please take these back to your districts for discussion and Service Chairs please take these back to your committees for discussion. This will help prepare us for the discussion at the January assembly.

In the next couple of days, I will be sending out the Agenda for the Area 80 January 10, 11 and 12, 2025 assembly as well.

Stay warm and all the best for 2025. Hope to see you all at the assembly.

Love in Service,  
Kathy M.  
Area 80 Chair

## **3. Treasurer Report**

Financial Report for the period November 1-30, 2024:

For our OPERATING Account:

Account Balance at Nov 1/24 was \$170.00

7th tradition contributions for Nov 1-30/24 were \$160.00

Total income for November was \$330.00

Expenses were \$242.84 to reimburse Jeff H for paying for the annual Zoom account, and \$1.00 for the e-transfer fee

Total Expenses were \$234.84

Bank Balance at Nov 30/24 was \$86.16 (\$330 income less \$234.84 expenses)

For our PRUDENT RESERVE Account:

Account balance at Nov. 1/24 was \$549.62

Interest earned was \$0.75

Account balance at Nov 30/24 was \$550.37

(Our prudent reserve is to be \$550.00)

Our ACU Co-op Share is \$5.00

Other:

The e-transfer to Jeff H. was processed with only one signer.

ACU had the account set up so that two signers were required to make changes to the account.

It has been corrected so that two signers are required for every debit or withdrawal made on the account, as was our original request.

I wanted to contribute to the 3 arms of service this morning and I couldn't quite figure out the details on how to contribute to New York GSO. It doesn't appear that they accept e-transfers.

As of 9 am today, our account balance is \$111.16. This would then allow us to give \$36.05 to each of the 3 arms of service plus \$3.00 in service fees for the e-transfers to each arm.

I've started to send \$36.05 to Central Office and to MB Area 80 office - which requires one of you to approve the transactions.

I will need to wait until the NY office is open on Monday to see exactly how I send them their contribution. I have our account number - I just need to know which e-mail address I send it to - -- or, if I need to make the contribution to them on their website.

Hello everyone,

I'm very sorry that I will not be able to attend the GC today. I'm with my sister in Toronto. She had major surgery yesterday and I need to provide constant care for her today.

If it's allowed for me to vote in absentia:

I'm in favour of the motion regarding WIA.

I am in favour of Tradition 7 being divided 33/33/33 to the 3 arms of service.

I am opposed to tradition 7 being divided 30/30/30/10 to the 3 arms of service plus the St. Vital group.

I am opposed to removing the Pirate's prayer from our closing prayer options.

Thank you for your understanding and your service.

Kindest regards,

Michelle R.

Patrick D. – Tech Rep

Steve. U. – Member at Large

**1. Opening Remarks**

- Jeff H. opened the meeting with the Serenity Prayer @ 6:03pm.

**2. Review of Items for Group Conscience (scheduled for Oct. 19/24)**

- we now have a Tradition 7 identification for NY General Service Office; it is #ID 000521873; should we be adding an item to our Group Conscience that addresses how much \$\$ we give to each of the arms of service now that we have 3 instead of 2 arms of service? Kelly T. to email TIAS Committee with this question

**3. Group Conscience Items**

a. ~~Group Conscience item: do we lock the zoom room after one hour of fellowship? ie. AA meeting from 930a – 1030a, fellowship from 1030a – 1130a, lock the room @ 1130a AND, AA meeting from 730p – 830p, fellowship from 830p – 930p, lock the room @ 930pm (not an issue anymore – committee felt locking the zoom room no longer necessary)~~

- b. TIAS now has a Tradition 7 ID # for NY GSO; how do we divide our Tradition 7 quarterly
- Michelle R. motioned that we bring to Group Conscience the following two options:
  - Donate Tradition 7 quarterly, 33%/33%/33% to NY GSO/MB General Service/MB Central Office
  - **OR**
  - Donate Tradition 7 quarterly, 30%/30%/30%/10% to NY GSO/MB General Service/MB Central Office/St. Vital Group

- Kelly T. and Michelle R. to visited Assiniboine Credit Union on August 29, 2024 to complete the paperwork

## **5. Treasurer's Report**

## **6. Intergroup Report**

- WIA has a new secretary (Marty) and a new TAS rep (Trysha)
- Tickets for Keystone Conference may be purchased by contacting Jeff 204-226-8902 or Central Office

## **7. Tech Rep Report**

- The site is up to date. I added the OIAA Convention poster to the AA events tab, all meeting chair positions have been filled so I updated the Schedule and removed the "Chair Needed" announcement.

The annual renewal for the Domain name for the site was sent and billed to my credit card. The actual date of Domain Name renewal is October 14th but they do it a month early to issuer no disruption.

Annual cost is \$19.80 + \$ .99 (GST) = \$20.79.

I will use this as part of my tradition 7 so I do not require payment back for this. If the treasurer can reflect the cost of the renewal for our records and that it was used as a 7th tradition donation from me we can save ourselves \$1.00 in transaction fees.

In Service,

Patrick D.

- tickets for AA World Conference went on sale Sept. 10<sup>th</sup> - \$216 each, early bird price
- [wix.com](https://www.wix.com) web hosting is not due until Oct 2025 and could be approximately \$300 - there is no account # on the invoice; who will be paying the invoice?; Kelly T. set a reminder in the TIAS Google calendar
- we now have a Tradition 7 identification for NY General Service Office; it is #ID 000521873; should we be adding an item to our Group Conscience that addresses how much \$\$ we give to each of the arms of service now that we have 3 instead of 2 arms of service? Kelly T. to email TIAS Committee with this question
- AA.org - "We are pleased to announce that the new publication **Plain Language Big Book: A Tool for Reading *Alcoholics Anonymous*** will go on sale on November 1, 2024."

- Please find attached four "Notices of Motion" for consideration at the October 2024 Assembly. They are being circulated a month in advance of the Assembly in the hope that the Groups, Districts, or any interested member of AA in Manitoba might have time to read and discuss the Motions before the Assembly. The Motions pertain to:

- Use of **Proposed Agenda Item (PAI) Form** for raising Motions and Agenda Discussions Items at Area 80 Assemblies - the file name is "Notice of Motion for Area 80 October 2024 Assembly re PAI with Form" - the Form has already been used, on a trial basis, in preparation for the October Assembly
- Creation of **Alternate Chair positions** for each Service Committee - the file name is "Area 80 Proposed Agenda Item (PAI) Alternate Committee Chairs 25 August 2024"
- Reading "code of **conduct at Assembly**" during Assemblies - file is "PAI Notice of Motion for Conduct at Assembly Reading"
- Update of **Handbook** with **Web Team Content** to replace existing Webmaster entry - the file is "Area 80 Web Team Content for Motion to Update Handbook August 2024 with content"

In all cases the first page ("Page 1 of") has been removed - it contains instructions for use of PAI, and would be the same in all the submissions. In some cases a separate "attachment" is mentioned - where this has happened the file has been appended to the PAI itself - to reduce the number of eMail attachments - and for clarity.

The four Proposed Agenda Items were all received by the Area Chair and Secretary in August - and are now being forwarded broadly for review by the Area. On behalf of the Area 80 Table Officers - I look forward to seeing many of you at the Douglas Community Centre on October 4th through to the 6th!
